Something for Residents with a German Heritage!

Since the days are getting shorter, and we are spending more time inside, here is a nice Poem for our Residents with German Heritage.

Some of you might have learned some German in your childhood.

Der Osterhase

Seht, wer sitzt denn dort im Gras!	Hüpft mit seinem schnellen Bein	Eier rot und blau gefleckt
Ist das nicht der Osterhas'?	über Stock und über Stein.	hat er in dem Nest versteckt.
Guckt mit seinem langen Ohr	Seht auch her, was in dem Nest	Muss er sie gut verstecken,
aus dem grünen Nest hervor.	liegt so rund und auch so fest:	sucht schnell in allen Ecken!

**These are some of the resolutions passed at the

Flagstaff Intermunicipal Partnership

Meeting Notes - March 18, 2019

Regional Broadband Project – a report developed by Battle River Alliance for Economic Development (BRAED) for a potential regional broadband system was reviewed. The intent of this project would be to develop a fiber optics system that would cover the entire Flagstaff region, including all towns and villages. Craig Dobson of Taylor Warwick will be invited to the next FIP meeting to provide further details from the report.

Community Resource Officer – the committee discussed the role of the Community Resource Officer (CRO). This is an enhanced policing position within the Killam/Forestburg RCMP detachment which has historically worked within the Flagstaff schools. Currently the contract for the CRO is held by Flagstaff County. This position is funded through Flagstaff County, the Town of Killam, the Village of Forestburg and the Village of Loughheed as well as some corporations. This position makes it possible for the Killam/Forestburg RCMP detachment to have a sergeant posted to our region, in effect the region is getting two additional RCMP officers for the price of one. The Committee will be discussing the agreement including the job description and mandate of this position at the next FIP meeting.

County Bus – the committee discussed potential opportunities for utilizing the County Bus. Committee members were requested to discuss this issue with their Councils and bring back suggestions for utilizing the bus within our region.

Regional Governance Project – All participating municipalities had previously agreed to move forward with developing a detailed operation and transition plan for a proposed amalgamated municipality. This decision in NO WAY commits any of the participants with moving forward with amalgamation. The public engagement sessions held in December, 2018 and January, 2019 showed that residents wanted more information before they could make an informed decision on amalgamation and the Councils of the participating municipalities are following the wishes of their residents. The Committee will be retaining a consultant to assist with this process and are hoping to have the detailed report ready for review by Councils and the public by the end of 2019.

Next Meeting – May 6, 2019 at Flagstaff County

What do you think about Square Dance?

I know, I know...! You cannot dance! Square Dance is for old people! You had to learn it in school and you hated it! Or you never learned it!

But if I tell you...

- It is actually more walking, than dancing!
- It is an activity for people of all ages!
- I promise it can be so much fun!
- Everybody can learn it (even me)!

I am looking for people of all ages, who would be interested in forming a Square Dance Group, or maybe somebody who used to be a Square Dance Caller in the past.

If interested, talk to Heidi at the Village office!
