As you may be aware, it is the intent of the Government of Alberta to review the *Local Authorities Election Act (LAEA)* following each municipal general election, with the most recent elections held in October 2017.

The Honourable Shaye Anderson, Minister of Municipal Affairs, is pleased to announce the beginning of consultations with Albertans and key stakeholders regarding the *LAEA*.

Whether you have been instrumental in planning a local election, contributed to a candidate, voted in local elections, advertised on behalf of a candidate, or ran for your local municipality, the *LAEA* has affected you. All Albertans are being asked for their feedback on a variety of topics regarding local elections, and we want to hear from you as we consider making changes to this important piece of legislation.

I am pleased to provide you with the links to the stakeholder discussion guide and public survey. If you are receiving this as a president or executive director of a municipal association in Alberta, please share this announcement with your members. We also encourage associations and municipalities to share the links provided on your website to encourage public input.
