Words from Residents

Seeking someone to remove and re-install sidewalk cement pavers... 7 or 8.. from my front walk... to a new location about 10 feet adjacent. Cash work.

Call Mark 587-404-1275.

- T h e B a c k F o r t y -

Bed of Roses

Raw, molten sunlight pours through the ochre-red barn's decaying, cathedral roof. And through a dirty, kicked-up cosmos of spinning, flashing motes, my grandparent's dust-mantled bedframe appears in the corner stall...right where she'd said it'd be.

Brought from Otonabee Township, Ontario in 1907 along with two hundred and fifty pounds of Marquis seed, they were consumed by the belief they could grow the run-down, abandoned homestead into a century farm.

I'm here with the truck because the for-sale sign on our ten-acre parcel, the last of their six sections, goes up tomorrow. Cee wants it in the garden, for the new place in town.

Slick & Sticky Raven's Great BIG List

#1 Black-Billed Magpie

Slick: I like them. They remind me of our ancestors...the tail and all.

Sticky: They're the neighborhood bullies and I don't like them...tail and all.

#2 American Robin

Slick: Their running-stopping behavior is compelling, must-see drama.

Sticky: Yah, yah...maybe if you're a juvenile.
