## Wireless Internet

The library is superpowered by the Alberta Supernet. The speed is literally awesome. Use it on our public access computers or your own device and avoid a "high-speed" headache. Did you know.... you can park out front of the library and access free internet when we are closed?

The winner of the "Big Pumpkin" contest was Jeran Weller (son of Amber-Dawn and Evan). Congratulations to everyone who entered a weight.

The red poppy flower is much more than a wildflower. From sleep to peace to death, the red poppy flower is a beautiful symbol of remembrance worldwide. Since World War I and McCrae's poem of the flowers, the significance is still felt a century later. All over the world, the red poppy flower symbolizes remembrance for the fallen soldiers and will continue for generations to come.

Our **FREE LITTLE LIBRARY** is situated in the Post Office lobby. Please help yourself to these free books. Do not return them. Consider them a gift to you from the Heisler Library.

There are many books on our shelves about Remembrance Day events. The Daysland Legion adds their annual copy of The Legion to our shelves. Stop in and check one out.

The Heisler Library is governed by trustees appointed by your village council. The library staff are Dixie and Liza. Board members are: Delijiah Antaloczy, Danielle Wolbeck, Gwen Wild, Andy Stephen, Carmen Stephen, Whitney Badry and Beverly Rohe (our village representative). Library meetings are held 4 times per year and open to the public.

## Radon Screening Program.....it's back again.

Radon Screening Kits are now available through the Heisler library and other Parkland libraries. In partnership with the Alberta Lung Association (with support from Health Canada), Parkland Regional Library System is proud to launch Radon Screening Kits as an addition to other materials patrons can borrow FOR FREE.
