*Find us on Facebook. We are The Heisler Public Library. Please 'like' & 'share' our page. Recommend any books you have read. Post your favorites*

As part of the updated guidance, libraries are considered entities that need to be accessed by the public for daily living purposes, and as such are not included in the organizations/businesses that can implement the restrictions exemption program. Libraries are instead directed to take other steps to mitigate the spread of Covid-19. Masks and social distancing are mandatory. Your Vaccine Record can be printed at the library for Free. Come in on Wednesday.

The Community Calendar will be done again as a fund raiser for the library in 2022. They will cost the same as last year....\$10.00 only. If you have any additions or changes please call a board member if you have not already been contacted. You can also come into the library on any Wednesday before September 6. Thank you to everyone who orders calendars for this project.

Check out a book from the Heisler Library any time in the month of September and get your name entered for a draw to win a rock painting kit. Thanks to Nadine & Felicia with Heisler Rocks (check out Heisler Rocks on Facebook)! This is for children, parents, and grandparents who have a membership or want one. Memberships are free! If you read, you could be a winner. Even better...bring in the whole family to browse for books or audios on the shelves. September has five Wednesdays, so chances are greater if you come to the library each week to enter.

The winner will be drawn October 6th!

Radon is a radioactive gas that comes from the breakdown of uranium in soil and rock. It is invisible, odorless and tasteless. When radon is released from the ground into the outdoor air, it is diluted and is not a concern. However, in enclosed spaces, like homes, it can accumulate to high levels and become a risk to the health of you and your family. Parkland has partnered with the Alberta Lung Association, and with support from Health Canada to make 20 Radon Screening Kits available to library patrons.

To place a hold on a radon screening kit, patrons should follow these simple instructions

- Visit your library's website or come into the library on Wednesday
- Search for PRL Radon Screening Kit.
- Click Place Request
- Login with your library barcode information
- Select your pick-up location/ home library. Each kit contains a paper survey that should be filled out by the patron and returned to the library.

The Heisler library is governed by trustees appointed by the Village of Heisler. Our board chair is Lorie Zimmer and our library manager is Dixie Wolbeck. Library board meetings are open to the public. Board members are: Lorie Zimmer, Janice Badry, Val Volk, Danielle Wolbeck, Robyn Kroetsch, Kelly Williams and Bonnie Wood (Village liaison). Anyone interested in joining the library board is most welcome. Get in touch with any of the board members. Meetings are 4 times per year.
