The Village kindly asks that all residents please put garbage out the morning of garbage day or in a container.

This prevents little critters from tearing into the waste bags and making a mess all over our village.

Liza and I wish to thank ALL of the farm families in this area. Harvest season again, family members working the equipment, piloting the grain trucks, preparing food and feeding the field folks to maintain the efficiency of this harvest . Without your combined proficiency and hard work we would all be without your BEST ALBERTA GRAINS. Thank you for continuing to be Just Who You All Are. We Appreciate All that you folks DO.
